Senior Choice at Home is guided by the philosophy of Volunteers of America, a ministry of service dedicated to helping seniors reach their full potential. The non-profit's mission is to uplift all people. One important element in that mission is to positively impact the lives of older adults. Founded in 1896, VOA has developed a network of communities to help ensure seniors from all over the country experience an active, independent lifestyle.

As a resident of Lee or Collier county, your Senior Choice at Home membership can be honored anywhere in the Continental US.

The Right CHOICE

Senior Choice at Home is a membership-based program that provides comprehensive care coordination, preserving your right to choose the long-term care that is right for you.

Your Life, Your Home, Your Choice

If you prefer to stay independent for as long as possible, Senior Choice at Home offers you a plan for life, in your own home.

Senior Choice at Home is the Right Choice, if you wish to:

- Protect your assets from unexpected health care costs
- Receive life care services in your home
- Benefit from advocacy and concierge care coordination
- Consider an alternative to moving into a senior living facility
- Take away your concerns about burdening your family/loved ones
- Achieve peace of mind that every level of care is covered, when your needs change

Plan **TODAY** To Preserve Your Independence Tomorrow

Long-term care is very expensive. In fact, it's one of the costliest investments you will make in your entire lifetime. With Senior Choice at Home, you have a plan with a set cost attached to it. Therefore, you don't have to worry about rising long-term costs or how much insurance will cover. You will know exactly what you will pay for a lifetime of long-term care from the beginning. Additionally, you will pay much less than you will pay without a long-term care plan.

The Value Of A **LIFETIME**

With Senior Choice at Home, you are fully covered for a lifetime. Our Concierge Care Coordinators are very successful at arranging the personal care you need in your own home, and if at any point you need to move to an assisted living, memory care, or skilled nursing, your membership covers those services too.
